The Pappas Story

Louis M. Pappamichalopoulos, from Sparta, Greece, arrived in America in 1904. He shortened his name to Pappas to help simplify life in his new country. During World War I, Louis served in France as an army chef in General Pershing's "Wildcat Division". It was there that he created his own version of a Greek salad by adding potato salad to sustain the troops during hard times. In 1925 Louis and his wife, Flora – affectionately known as "Mama", established the original Louis Pappas "Riverside Café" in Tarpon Springs. With a handful of employees on sawdust floors, they opened their humble café, specializing in fine Greek-American cuisine and the Louis Pappas Famous Greek Salad™. Potato salad at the bottom of a Greek salad soon became commonplace and the salad itself became internationally known. The Pappas Family has prospered over the years, sustaining four generations in the restaurant business.

Third generation Pappas Family member, Louis L. Pappas has continued to thrive in the restaurant business with his Greek fast casual concept, Louis Pappas Fresh Greek. FRESH is not where we have evolved to. It's where we have always been. The Mediterranean Diet is not a trend for the Pappas family but an integral part of their Greek heritage. The Louis Pappas Famous Greek Salad™ and all other menu items are simply prepared with pure, healthy ingredients, such as olive oil, local farm fresh produce and all natural high quality meats and cheeses. Join the Pappas Family and savor the flavors of Louis Pappas Fresh Greek.
